## **California Business Roundtable President's Statement on Governor Brown's Public Pension Reform Proposal**

California Business Roundtable President Rob Lapsley today released the following statement in response to Governor Brown's public pension reform proposal:

"Governor Brown has demonstrated real leadership in his proposal to reform California's pension system. He has outlined a plan that is a critically important step in bringing our state's spending and budget under control for the long term future.

"Now we ask the Legislature to pass these reforms so that we can continue to build a better economic climate that will create more jobs for all Californians."
